Subject: SB 741 (anti BSL/ Pro Pit Bull) will be heard soon. Help STOP it!

SB 741, the Anti Breed Specific Legislation bill, that was introduced by the pit bull lobby, will be heard soon in the Michigan House Committee on Local Government.

Below are the phone numbers and emails of the State Reps that are on the Committee.
PLEASE call/email and urge them to vote NO on this dangerous bill.
It's a matter of public safety.

SB 741 strips local governments of their authority to enact safety measures against dangerous dog breeds

Please Contact these Representatives. Ask them to kill SB 741.

PHONE SPIEL: I would like to leave the representative a message. I'm a volunteer for a national, non-profit dog attack victim's group dedicated to reducing serious dog attacks. WE like to ask the Representative TO OPPOSE SB 741. This bill compromises public safety and takes away local control.
