indicates that a letter presented today from the State of Michigan gives cause for us to dismiss without prejudice, while we consider the content of the letter regarding generally accepted agricultural management practices under Public Act 93 of 1981. The Chief Code Official will -- it has been signed and will attend court about 10:30 for a private conference with me and review of the file. We'll advise counsel as to what, if any further involvement of the Township is indicated after that meeting and review by general counsel for the community also. THE COURT: All right. Thank you. MR. ESSAD: We do, your Honor. THE COURT: All right.
