Mr. Adam Kline
Township Manager - Charter Township of Oakland

In response to your letter to me received in an email dated March 11, 2020 concerning my former complaints regarding the Rainbow Basket egg farm -

In opposition to the response from MDARD in a letter from MDARD to Mr. Kelly dated January 23rd 2020, I feel that it is apparent that the rainbow Basket Egg Farm located at 1700 Rochester road does not and never has met the Michigan Department of Agriculture's siting requirements for a category 3 farm and therefore does not meet the requirements for protection under the Right to Farm act.

Please consider this letter as a formal complaint dated May 11th 2020 to the Charter Township of Oakland from Lisa Caruso - owner of property at 1620 Rochester Road for zoning violations including keeping of over 37 permitted class 3 animals being kept by the adjoining neighbor at 1700 Rochester Rd.

Please feel free to contact me at anytime if you should have any questions.

Thank You, Lisa Caruso - Oakland Township Resident
